Roland So

Designer

WORK EXPERIENCE

Freelance UX/UI Designer

Apr.2018-Present

I work alongside designers and developers to improve website and mobile platforms utilizing user research, synthesis, ideation and testing. My clients include Agentis Energy, BNSF Railway, Signol, Via the Village, and Design Museum of Chicago.

Freelance Visual Designer

Nov. 2015-Present

I am working on a large range of projects involving website and mobile design, email and social media banners. My clients include R/GA, Magnani, Chicago Public Radio, Wide Awake Coffee, and Ceres Coin.

Senior Web Designer

Alliance Entertainment, May 2016-May 2017

I developed designs for marketing campaigns, including email design, banners, social media, motion graphics, and other special projects. I managed and mentored design team through their daily design projects. My clients included Deep Discount, Turner Classic Movies, WOW, Collector's Choice Music, Collector's Choice Vinyl.

Freelance Visual Effects Artist

Jul. 2008-Nov. 2015

I created visual effects shots for clients in the visual effects and motion graphics industry. I delivered high-quality shots on film projects within a tight deadline schedule. My projects included Star Wars Episode 1 3D, Green Lantern, Alice in Wonderland, Transformers 3: Dark of the Moon. My clients included Prime Focus, CafeFX, Spin FX, and yU+Co

VOLUNTEER EXPERIENCE

UX Designer

Design for Homelessness, June 2019 - Present

Working with the design team to ideate, concept and prototype solutions to help the homeless in local cities and worldwide.

Administrative Assistant

American Red Cross, May 2013-Aug. 2013

I accepted donations and answered questions in-person, by mail and phone.

Race Assistant

Chicago Marathon, Oct. 2012

I helped direct runners from the finish line to the after party or check-in location.
